Gold for Helen and Arthur

Super vet Arthur Thomson M70 sped around the LVAC indoor track fifteen times to record yet another BMAF title and Helen Middleton W45 and Sean Pender M55 also collected gold in their categories. Their respective times for the 3km were 16.14, 16.28 and 17.47. Walk captain 'Big' Ron Powell M70 won silver with 19.05, as did Sue Barnett W60 with 19.16, and occupying third spots were Norma Grimsey W55 in 21.02, Peter Howard M65 in 19.12. Bernie Hercock M70 was fourth in 21.27. Helen and Sue's performances were pb's.

Moulton Five News

Fliers and entry forms inviting amblers, ramblers and power walkers to join the race walkers for this year's walks are now available. This year is the last that there will be no showering facilities at the event, because work has finally begun on the new village hall. It won't be finished until late June so the base for this year's Moulton Walks will be the village pub, The Kings Head.

Two other major events take place on the same day; at the Kings Head proprietors Donna and Tony are arranging a **live music and a Bar'B'Q**, whilst in South Africa, England play their opening World Cup match against the USA. So why not take part in the walk, enjoy the music, gormandise and then watch England.

The next League Fixture is on Saturday 24th April at Cophall Barnet Stadium

11.45pm start – Track 3km and Junior 1km

This race is part of the London Inter-Club Challenge Series

Badge Race Meeting

A couple of *Leaguer's* have already explained that they will be unable to support the Hour Badge meeting at LVAC on 22nd May, because they will be competing the following day in the BMAF 10km track championships at Oxford. It is unfortunate when events fall so close together that athletes have to make a choice, but with twelve races in this year's fixture list it is inevitable. I thank them for letting me know their intentions and remind other walkers that in order to book sufficient track time, entries for the badge meeting close on 15th May.

Support Your County

The 8th/9th May is County Association's track championship weekend. I appeal to all walkers and especially *Leaguers* to support your county's walk if they have one on the programme, because it is an opportunity to promote race walking. If walkers don't support these championships, the associations cannot be criticised for interpreting poor fields as scant regard for a county title and withdrawing the event from their main programme?

The county associations have the discretion to hold these championships under B conditions and I hope that in the interests of encouraging all walkers will invoke it. The greatest dis-service would be the continuance of the A race judged under B rules, which does nothing for the credibility of race walking. In the **Forthcoming Events** section are details that I have gathered from various county web-sites to assist walkers meet the entry deadlines. Note also that that most counties also include junior walks.

EHAC Walkers Run away in Sunday Cross Country League

The event was the Sunday Cross country League. There are 5 fixtures, held in Hertfordshire, over distances of 5 (ish) miles, and you have to do four out of five to qualify. The best four results from the five races staged between October and February contribute to the final points. Second claimers Diana Braverman and Sue Barnett finished winner and runner-up in the W55 age group.

Well Done John! The hard working editor of Race Walking Record and producer of the excellent RaceWalkUK web-site, John Constandinou found time to compete in the recent Lugano permit event where he clocked 1.54.00 a new Cyprus national record. He bettered the old figures by over a minute and a half and now has his eyes set on the all-comers record of 1.47.48.

Correspondence

Dear Ron, It was good to see such a competitive race in this years national ten held at Lee Valley. With Darrell Stone leading home the field in a very solid performance, even more so when considering his age, and the chasing pack always close enough at hand to not let him relax. Jo Jackson was putting in a sterling effort until she was unluckily d'q and local star Scott Davis at last breaking through at the shorter events. The good course made watching the event all the more enjoyable.

In the past, what made this event so special was the inclusion of the Inter Counties 10 mile too. It was, if I recall, eight to race and to score. This gave so many good club athletes the opportunity of gaining some recognition, coupled with their sense of achievement for all their efforts and with the possibility of using this as a stepping stone onto even greater things.

This greatly enhanced the fields which were regularly over a hundred and fifty men and brought many new faces into the winner's enclosure and who otherwise may not have had this vehicle as the stepping stone to higher things.

Above all we must not forget that without so many willing and able officials who give their time so willingly and freely we would not have a sport, my thanks do go out to all of them to for ensuring we have a sport that we all can enjoy.

Long may the National 10 continue! - Yours in sport, Oliver Flynn

Results Round-up

The **Molly Barnet on 6th March** involving as it does an inter-county match and YAG Grand prix, looks to have been an excellent meeting. The results on the RaceWalkUK web-site show that thirteen under 15's, twenty-one under 20's and fifty seniors took part.

In the 10km Alex Wright with a 43.31 performance spilt the Irish duo of Brendan Boyce 41.50 and Mick Doyle 43.37. Arthur Thomson fifteenth in 55.82, Sean Pender twenty-fourth in 61.56 and Bernie Hercocock thirty-second in 71.58 were the club men competing in the event. Helen Middleton with 27.32 was the third home in the ladies 5km behind Lisa Kehler 23.58 and Diane Bradley 26.37.

Sean Pender backed up *Leaguer's* Fransico Reis 51.10, Shaun Lightman 57.54 to help Middlesex to third place behind Warwickshire and Kent in the men's inter-counties championship

Jo Jackson shrugged off her national ten experience to set a new pb and national record of 43.52, and Ian Richards new European M60 figures with 49.06. Unfortunately, neither is likely to be ratified because the appropriate numbers of officials were not in attendance.

On the same day *Leaguer* Becky Collins was making her **20km** debut in the **HSBC** meeting at Douglas on the Isle of Man. She was the only female who did 20km and she clocked 2.06.55

The final **5km** race of the **Cambridge Harriers Winter League** was held Bexley on 20th March. The winners were under seventeen Kate Funnell 27.16, eleven seconds in front of Helen Middleton and under twenty Jonathon Hobbs in 25.03. In sixth with 30.52 was Sean Pender and seventh with 35.32 Bernie Hercocock. EHAC were the runner-up team behind Ilford.

BMAF indoor 3km at LVAC on Sunday 29th March. Overall winner was Fransisco Reis M45 in 14.25. The full result can be seen on the BMAF web-site

Sudbury 5 mile Fun Walk at the Suffolk town on Good Friday 2nd April attracted two hundred walkers, mostly fun walkers. Helen Middleton 45.42 led home the small contingent of race walkers in front of Richard Emsley 46.46 Amos Seddon 48.11, David Sharpe, 50.29, Malcolm Brown, 56.34, Bernie Hercocock 57.56, Serena Queeney 58.11, Sue Smith 58.43 and Michael Croft 60.38

Forthcoming Fixtures

Sunday **11th April** is a big day in this years domestic calendar. The **UKA/RWA national senior 20km**, Junior 10km and YAG championships are being staged at Victoria Park, London. The 20km has been designated as the trial for Commonwealth Games selection, so a keen competition is in prospect.

Details from and entry forms to: Peter Marlow, 134G Southgate Street, Bury St.Edmunds, Suffolk, IP33 2AT – 01284 754 177 – pmarlow@btinternet.com

The fourth event in the 2010 **Enfield League** programme takes place on Saturday **24th April**. It is a **3km track race** at Cophall Stadium, NW4 1RL. The start time is 11.45am and the race is part of the LICC meeting. Category B – enter on the day.

The **UKA/RWA national 50km** championship takes place at Ropner Park, Stockton-on-Tees the following day on **Sunday 25th April**. Event organiser Ken Munro on 01670 732 426 will be happy to supply details and forms.

This photograph was taken during the 1959 National 50km held at Baddesley Colliery, Warwickshire. The race winner was for the fourth consecutive year Don Thompson in 4.12.19. He led his team Metropolitan Walking club to victory and went on to win the championship on three more occasions. A year later, when all the 'Big' names failed at the Rome Olympic's he won Britain's only track and field gold medal.

But, who are the two walkers in the picture? Both have been seen at League events this year.

Fixture information is available on **RaceWalkUK** and The **Race walking Association** web-sites
