

## *Silver for Callum RWA national*

The County's young walker, sixteen year old Callum Wilkinson underlined his potential with an impressive second place in the RWA national under seventeen 5km championship at Coventry on 28<sup>th</sup> April. However, the real surprise was his time; 23.27 over a minute faster than ever before which put him only nine seconds behind the winner Cameron Corbishley (*Medway/Maidstone*) 23.18, who over the last year has dominated this age group. These two were over a minute clear of Guy Thomas (*Tonbridge AC*) in third place.
