## England Athletics 2014 Coaching Conferences

In this exciting Commonwealth Games year, England Athletics are pleased to announce details of their National Coaching Conferences for 2014. These events have become an extremely popular launch to our winter coach development programme and this year's conferences will help club coaches to consider the steps they need to take to move from a good coach to a great coach, in order to better support their athletes.

At each conference coaches will be able to take advantage of:

- ◆ Inspiring keynote speeches where experienced and successful coaches will share their journeys from good to great
- ◆ LCDP workshops to help coaches explore key event specific and supporting topics in a practical manner
- ◆ Opportunities to network and share experiences with fellow club coaches and England Athletics National Coach Mentors
- ◆ A coaching marketplace offering information about products and services to support coaches from England Athletics and partner organisations.
- ◆ CPD workshops will also be offered to Run Leaders and those with the LiRF qualification to offer practical tips to take back to your coaching environment.

Note the content of workshops at these conferences is aimed at LCDP level coaches and is broadly equivalent to the Coach and Event Group level qualifications.

**Take advantage of our early booking fee** – as in previous years workshops are sure to fill up very quickly so book your place early to avoid disappointment!
