

Road Running Road Shows

New
in 2018!

England Athletics are launching a series of Road Shows for the club road running community.

The Road Shows are open to club officers, coaches, leaders and club members and offer an opportunity to find out more about some of the new and existing initiatives that aim to support road running clubs including **Club Run**, **Masters Age Group Opportunities** and **Event Organisers' Workshops**, as well as an opportunity for you to share your ideas with us.

At each of the road show sessions there will also be an interview and Q & A with an England Road Running International athlete or experienced coach about their experiences, training and club coaching environments.
