

Another National Walk Title for Wilkinson

Sixteen years old Callum Wilkinson (49) won his second national title when competing in the English Schools athletic championships at the Alexander Stadium, Birmingham, last Saturday (21st September).

Representing Suffolk in the intermediate 5km walk, he was content to stay just off the pace until with 1500m to go he moved into the lead and gradually drew away to win in a time of 22.55. His time was over half a minute faster than his time at Bedford three weeks ago when winning the EA under 17 championship, his first national title. Cameron Corbishley (London) 23.08 and Guy Thomas 23.11 finished second and third respectively
