ABOUT THE ENFIELD LEAGUE

WELCOME TO THE ENFIELD RACE WALKING LEAGUE WEBSITE.

This is a new venture for the league where we will endeavour to make this a "one stop shop" for everything related to the Enfield Race Walking League.

We will try to keep all results up to date and publish a league order throughout the year.

Enfield Walker newsletters will be uploaded to the site which should then serve as an archive for them.

Any news items can be sent to the site via the league email address noted on the "Home" page
