

Dear all

Please see attached a report I have put together to reflect things which have happened over the summer months – this has been sent to Joe in order that it can be shared with Suffolk clubs (I will copy to Dave at Colchester) in particular through the Clubs Conference on 17th and SCAA Committee Meeting on 25th September. I am grateful for all that Janet has done over the past couple of years and indeed has continued to do on a voluntary basis from April 1st. We are in the process of final handover to me over the next couple of months. I'll be away through September but will have my phone with me and access to Emails. Tania has kindly offered to inform me of any club needs she picks upon in the course of her EA role e.g. coaching/Flying coach visits, bursaries for officials and coach education and generic workshops. We won't have the same presence on the ground or indeed administration capacity when Janet finally moves on. On your behalf I would like to thank Janet for all she has done for us and wish her well for the future. When I get back early October I hope to confer again with Tania and do another communication to clubs encouraging them to look at what support we may be in a position to arrange for them. I will also communicate with you in the process.

This has been circulated to people who have either attended meetings of SEAN or sent apologies over the last 6 months

Many thanks for your continued support

Kind regards
Terry McEntee
