

Dear all

Hope this finds you well - enjoying the summer and of course the World Championships!

I am pleased to be able to let you know that the SEAN management group, on behalf of the Network, has appointed 2 people to co-ordinate / project manage key activities within the Plan which has secured England Athletics funding to March 31 2014

Janet Lomas (a member of Framlingham Flyers), who will have responsibility for Junior Development / Athletics 365 and Beginner Running - contact - 07831 379794 - janetlomas@ymail.com

Zeta Wright (already SEAN Administrator in a voluntary capacity and the parent of an Ipswich Harriers athlete), who will have responsibility for Coach Development - contact - 01394 386228 - activezw@hotmail.co.uk

Janet and Zeta will be in touch with you / your club in the near future. On your behalf I would like to welcome Janet and Zeta to the Network.

Although there has been much less contact with clubs since Tania left this will change through Zeta's administration and the 2 new roles. I do have to say that a lot of work has taken place behind the scenes and in this respect I would like to thank Terry Back and Dave Smith. Also the contribution of our England Athletics CCSO, James Cudmore, has been significant and moving forward the Network will be working closely with James so that clubs, coaches and officials will benefit from a single system of support

Please pass on this information to other appropriate people within your club

I would like to remind you that the next Network meeting will take place on Wednesday 11th September with a 7.00 pm start at the Mid Suffolk District Council offices in Needham Market (same venue as last couple of meetings) - an agenda will be circulated early September

In the meantime though, if you have any general query where you feel I could be of help, please don't hesitate to contact me - at the moment I'm having difficulty with the mobile number below - if that fails then please contact me on 07775557784

Kind regards
Terry
