

### *Suffolk Race Walking*

Fifteen year-old Callum Wilkinson who attends King Edward School in Bury St.Edmunds, is earning himself great credit on the race walking scene.

He first tried the discipline in April in preparation for his village's annual five miles walk (The Moulton Five), with aim of bettering one hour, and discovered he had a natural aptitude for it.

In the short time since, he sliced nearly 2 minutes of the County 3km record at Bury on 13th May, bettered the hour by almost nine minutes for the Moulton Five on 2nd June and clocked a 31.21 5km at Copthall Stadium in the LICC meeting on 16th June.

A Schools development walk at Milton Keynes on 30th June is likely to be his next outing.
