

Race Walking

WOW! WILKINSON

The outstanding performance of the Enfield Race Walking League's five miles opening fixture was that of fifteen year old Callum Wilkinson (27). Making light of the arctic conditions, the Suffolk youth put in a blistering final mile (timed at 8.03) to move from seventh to third place in the men's race and his time of 43.04 is a massive personal best by over four minutes.

His next target race is at Coventry on 28th April over 5km, where his aim is to qualify for the Young England team for the annual match against their Irish counterparts in Dublin in the summer.

Linda Spinks was well under the hour with a 55.10 clocking and under 11's George Wilkinson and Daniel Spinks of Moulton Village School walked a mile in 12.37

Race walk coaching available at St.Edmundsbury track most Wednesday evenings at 6pm.
