

Framlingham 2016 Under 11s

A huge thank you to Katie, Debbie, Kylie and Pauline who stepped in to look after this event and did a great job!!

This year's field was almost double that of last year's!! Great to see almost as many girls as boys taking part too.

Apologies to anyone who may have been confused over the start time- I thought that all information emails had been quite clear??

On a less pleasant note, I believe that some parents of runners may have been unkind to our volunteers on the day.

This is never acceptable and I just hope that I can persuade the same volunteers to help again next year.....

Also, you'll notice that there are gaps in the results. Luckily, the timing team managed to record times for all despite many youngsters running without race numbers.

Best regards

Ricky
