
Suffolk County Athletics Association Committee Member

Role Description

- Attend SCAA executive committee meetings
- Contribute to discussions within the group & put forward the views of the affiliated club being represented.
- Act as a communication link between the SCAA and affiliated club to ensure both groups are kept well informed and updated of local activity & decisions.
- Where appropriate, assist the chairman & officers in the running of the association and its associated activity.
- Pro-actively support the association in the successful development of local athletics.
